COPY OF
25X1A

July 25, 1962

To: Contracting Officer SP-1925

Subject: PRESENT AND PROPOSED SP-1925 PROGRAM AND PRICE PROPOSAL

We submit for your consideration the following addition to subject contract to cover the modification of Airplane #359 to incorporate the J-75 Engine, ARS, SSB, IRAN, etc.

	Target	Ceiling	25X1A
Present Contract Price			
Addition for 359 Modification			
Total			

Attached herewith are the following:

- (a) A revised Check Chart.
- (b) Copy of the latest Airplane Schedule including the modification span of #359.
- (c) Copy of Service Bulletin #656 listing in detail the additions and deletions required to convert the FOG Aircraft to a Project Aircraft to the desired configuration.

Pursuant to your verbal approval, we are proceeding with the modification of Airplane #359. You are aware that the airplane arrived here on July 16, 1962.

Your prompt amendment of Contract SP-1925 will be appreciated. 25X1A

Yours truly,

ILLEGIB
